**AUTHORIZATION**

Authorization is hereby given to the above applicant to install the production installation components as proposed above subject to the following  
conditions:

1. If the work or activity relates to the development a pool or field, all operations shall be conducted in accordance with, and subject to the approved  
development plan and Canada-Nova Scotia benefits plan, including any conditions of approval of each.
2. The Operator shall ensure that the financial responsibility documentation filed with the Board is maintained, and shall provide continuing evidence  
thereof satisfactory to the Board as and when requested by the Board. No material changes shall be made to the documents (including any changes  
in the carriers, issuers, guarantors, contractors or other parties responsible under the scheme) nor shall any material change be made to the terms  
and conditions of any insurance policies or other assurances or the terms and conditions of any relevant contracts to the extent that financial re-  
sponsibility may be affected, without the prior approval of the Board.
3. The applicant shall comply with:
  - (a) the Installation Program referred to in the application; and
  - (b) the limitations and conditions of any Certificate of Fitness applicable to any components of the facility or  
equipment to be used for the installation of the facility.
4. The applicant shall ensure that all personnel engaged in the installation work, whether employed by the applicant  
or otherwise, are competent and qualified to perform the work assigned to or undertaken by them.
5. Unless extended or earlier terminated, this authorization shall expire on \_\_\_\_\_
